

# SUMMER CAMP THEMES 2019

Register at [CampsAtTheDurham.org](http://CampsAtTheDurham.org)

## American Expedition

Our curators have found what they believe to be a hidden message in a long-lost journal in the museum's archive. We think it might be the first in a series of clues leading to a hidden treasure collected by Omaha's founding fathers! Can you help us solve the mystery?

## Creation Station

Become an inventor and artist during Creation Station! New this year, campers will explore their innovative abilities in the Durham's new maker space: The Platform. Do you know who invented the bicycle or painted the Mona Lisa? What will modern inventors and artists come up with next? Join this camp and you might just become one of them!

## Dinosaur Discovery

Explore all things dinosaur with our summer exhibition Tyrannosaurs: Meet the Family! Did you know that over 700 species of dinosaurs have been identified by scientists? Or that the Argentinosaurus weighed over 70 tons? Discover this and so much more during Dinosaur Discovery!

## Durham Globetrotters

Buckle your seatbelts and prepare for an adventure around the world! Float through the Panama Canal, hike the Alps or snorkel in the Great Barrier Reef. All this and more is possible when you sign up to trot around the globe at The Durham.

## History with Heroes

Superheroes wanted! Grab your cape and join us for History with Heroes as we learn about what it means to be a hero and how you can be one too! We will even have visits from some real-life heroes from our great community.

## Lego Legends

Does your camper love to build tall towers and other architectural wonders? What better place to enjoy these challenges than at Omaha's Art Deco gem and National Historic Landmark!

## Meet the Metr"O" SPECIALTY THEME

Get ready to meet your Metr"O"! This camp offers an exclusive look at what makes the Omaha metro so special, taking you behind the scenes to places like Boys Town, KETV Newswatch 7 at the Burlington Station, and Gifford Farms. Omaha would not be the amazing city it is today without these locations and many more we will visit in this week-long camp! You won't want to miss this one-of-a-kind experience.

## Moving at the Museum

Get ready to move with this active week of camp at the museum! Enjoy everything from relay races to dancing as you stay busy with movement and activity. You might even learn the history of these activities while you have a blast moving and shaking your way through the week!

## Omaha Staycation SPECIALTY THEME

Need a summer vacation? Look no further than your own hometown! This adventurous week will take campers on a "staycation" to the hottest visitor locations in Omaha including new stops this year at El Museo Latino, The Wildlife Safari Park and The Strategic Air Command and Aerospace Museum. All transportation and admission is included in the cost of your camp, for a truly stress-free staycation.

## Science of Scotty

Become a scientist alongside Scotty, a 65 million year old Tyrannosaurus Rex skeleton and the main star in The Durham Museum's summer exhibition. Train to become a paleontologist, archeologist and geologist all in one week with the help of Scotty and friends in Tyrannosaurs: Meet the Family.

## Scientific Exposition

Need some flexibility during the Fourth of July holiday week? Take advantage of our Scientific Exposition! Each day offers a special look at a unique topic that will spark the scientist in all of us! You can sign up for the entire week or individual days:

- MONDAY: Crazy Chemistry
- TUESDAY: Wacky Weather
- WEDNESDAY: Stellar Space
- THURSDAY: No Camp, 4th of July
- FRIDAY: Zany Zoology

## Spy School

Grab your magnifying glass and prepare for excitement! Gain the skills to uncover mysteries and discover clues to solve the toughest cases. Explore what it takes to be an investigator and put your knowledge into practice with solving your own case.

## Wizard Academy SPECIALTY THEME

*Register early, this popular camp theme will fill up fast!*

Pack your trunk! Our 2nd annual "back to school" camp will feature a full-week, full-day camp celebrating the wizard world! Join us for the sorting hat ceremony on Monday, the awards ceremony on Friday, and enjoy the adventures in between!
