

# Summer Camp Themes 2022

Register for the Sweetest Summer ever at [CampsAtTheDurham.org](https://CampsAtTheDurham.org)

## Camp Celebration **HOLIDAY WEEK**

What's your favorite holiday? We bet it will be a part of the line-up for our Camp Celebration week! We'll travel through an entire calendar year of holidays and celebrations from around the world, celebrating everything from Valentine's Day to National Pet Day.

## Camp Construction **SPECIALTY THEME**

Put on your tool belt and get ready to learn about the fascinating world of architecture, engineering and construction! Local companies Boyd Jones, BVH Architecture and Alvine Engineering will help us explore how buildings get designed, engineered and built through fun, hands-on activities.

## Castaway Island

You've been marooned on a desert island after a shipwreck! You and your fellow crew members have to work together to survive and escape the island. Will you find your way home after the big storm? Find out during this thrilling week of camp!

## Dinosaur Revolution

It's time for a dinosaur revolution! The Durham's summer exhibition, Dinosaur Revolution, is an interactive, maze-style exhibit that will take campers through all three periods of the Mesozoic Era. Campers will spend their week working their way through the twists and turns of this dinosaur adventure, accompanied by additional prehistoric games and crafts!

## Durham Detectives

Grab your magnifying glass and dust off your investigative skills! Campers will work together to uncover mysteries and discover clues to solve the toughest cases. Explore what it takes to be an investigator and put your knowledge into practice by solving your own case.

## Full S.T.E.A.M. Ahead

This popular week of camp will explore all things STEAM (Science, Technology, Engineering, Art and Math), by featuring one letter of the acronym each day of the week. Crafts, games, projects and more will get you ready for "back to school" time during our final week of camp.

## Heroes in Training

Superheroes wanted! Grab your cape and join us for a heroic week as we learn about what it means to be a hero and how you can be one too! We will even have visits from some real-life heroes from our great community.

## Lego Legends

Who doesn't love to build tall towers and explore architectural wonders? What better place to enjoy these challenges than at Omaha's Art Deco gem and a beautiful National Historic Landmark! Campers will enjoy challenges and projects related to a wide variety of buildings, toys and tools, plus enjoy exploring Union Station.

## Myths and Legends

The Loch Ness Monster? Swash-Buckling Pirates? Kings and Queens from distance lands? We'll dive deep into the stories surrounding these characters, both real and fictional, during this mythical week at camp.

## Omaha Staycation (I & II) **SPECIALTY THEME**

Need a summer vacation? Look no further than your own hometown! These adventurous weeks will take campers on a "staycation" to the hottest attractions in Omaha. New this year, we've decided to feature not one, but two unique line-ups of popular attractions! All transportation and admission is included in the cost of the camp, for a truly stress-free vacation right here in the metro. Keep an eye on our camp website for announcements of this year's line-ups!

## Wide World of Weather

What is up in the wide world of weather?! Find out in this weather themed camp as you discover what it takes to be a meteorologist, conduct weather-themed science experiments and enjoy weather crafts and games!

## Wizard Academy **SPECIALTY THEME**

Pack your trunk! This popular annual camp will celebrate the wizard world through crafts, lessons, games and more. Join us for the sorting hat ceremony on Monday, the awards ceremony on Friday and enjoy the adventures in between!
